ACKNOWLEDGEMENTS: Recognized for contributions to this product: Andrew R. Aull, John W. Kellogg, Bill Marker, Bill Moore, Hugh Redmond, Kate, Faronick, Mary Pet Hulman, and Lois Dietz. Drilling was provided under contract with the Iowa City, Iowa, special thanks to Dave Kelley, and drilling crew members who worked in times of challenging drilling conditions. A special thanks to the following individuals who graciously offered access to their land for drilling, associated with low water table and potential for frequent flooding.

Surficial Geologic Materials of the Eldridge 7.5' Quadrangle
Scott County, Iowa

PREPARED BY: Deborah J. Quade1, Stephanie A. Tenor-Staite2, Robert M. McKay2, James D. Giger13, and E. Arthur Bottel13
